ENFORCEMENT

During the past fiscal year the Examiners of Electricians have issued 146 licenses to both masters and journeymen and have given particular attention to the enforcement of chapter 141 of the General Laws. Two licenses have been revoked and six suspended during this period.

Representatives of this department have visited over 5,700 jobs and in many cases compelled licensees to correct certain defective work without expense to the owner.

We have secured 16 convictions of unlicensed persons for installing electrical work without having the proper license, resulting in fines to the amount of \$198. This has resulted in a much higher class of electrical work being installed throughout the State.

Respectfully submitted,

STATE EXAMINERS OF ELECTRICIANS

STEPHEN C. GARRITY, *Chairman*
State Fire Marshal.

THOMAS H. GREEN,
Commissioner of Civil Service.

WALTER F. DOWNEY,
Commissioner of Education.
